

### **ESG Consultant**

Millani is the leading ESG advisory firm in Canada, headquartered in Montreal, providing advisory services to investors on how to integrate ESG considerations into their investment and reporting processes. As well, we advise companies on how to identify, articulate and disclose their financially material ESG topics to investors and other financial stakeholders. We are uniquely positioned to build bridges between both the investment community and corporations.

We are currently looking for an **ESG consultant** with capital markets expertise to join our growing team.

#### **Your role:**

- Conduct data collection and research on clients' and peers' positioning, current market trends, and other related topics
- Synthesize takeaways from analysis into clear recommendations
- Participate in collaborative brainstorming sessions to identify and present recommendations
- Summarize and analyze information collected to support advisory services
- Organize and format information in a visually compelling manner to facilitate communication and transmission of deliverables to clients
- Support the creation of methodologies and processes to accompany clients

#### **Your profile:**

- Bachelor's and/or Master's degree in Commerce, Finance, Sustainability
- 3+ years' experience in the capital markets/public markets and/or financial sector, ESG/responsible investing and/or consulting
- Demonstrated interest in sustainability or responsible investing

#### **Additional desired qualifications (any of the below are welcomed):**

- Degree or courses in sustainability or responsible investing
- CFA charter, CPA charter, SASB FSA credential or SIPC designation
- Climate change knowledge and/or experience with climate-related reporting (Task Force on Climate related Financial Disclosures), specifically climate-related scenario analysis
- Experience in developing corporate financial accounts/statements and reports

#### **Your competencies:**

- Bilingual in English & French, written and oral
- Strong analytical and critical thinking skills
- Excellent communications skills, written and oral
- Proficiency in using Microsoft Office, especially PowerPoint
- Ability to work both independently and in a team environment
- Sound work ethic and capacity to meet tight deadlines

Term of mandate: Full-time. Anticipated starting date September 2023. Location: Montreal or Toronto.

We invite interested candidates to forward their resumes, along with a one-page cover letter to [info@millani.ca](mailto:info@millani.ca) by September 15<sup>th</sup>, 2023.

Only selected candidates will be contacted.
